Re: House Bill 2484 (estimates; state budget; notice)

Dear Speaker Gowan:

Today, I vetoed House Bill 2484. I strongly support the underlying policy of truth in spending. Unfortunately, the language in the bill is unclear and vague, and doesn't take into account fiscally conservative actions such as eliminating debt.

I look forward to working with the proponents of this bill so that we can correct these concerns and consider it as part of a broader package of needed budget reforms next session.

Sincerely,
