Governor

# Office of the Governor

## WITH SPECIAL RECOGNITION

**WHEREAS**, Lujendra Ojha, a former Tucson resident and University of Arizona student discovered flowing water on Mars; and

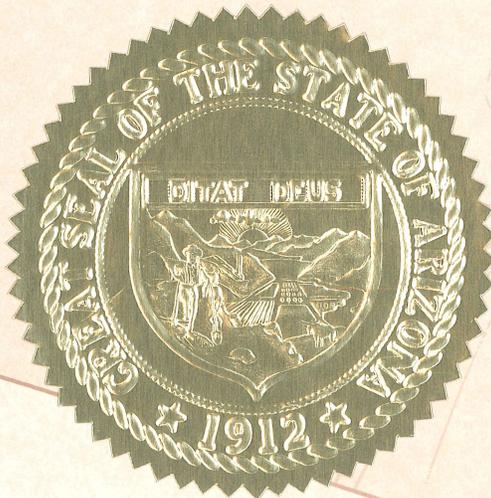

**WHEREAS**, Ojha's discovery is billed as a significant step to learning more about the history and climate of Mars; and

**WHEREAS**, Ojha made the discovery using images from High Resolution Imaging Science Experiment (HiRISE), which is one of the most powerful cameras ever sent to another planet and operated by the University of Arizona; and

**WHEREAS**, the University of Arizona is home to some of the best space exploration and observation laboratories in the country.

**NOW, THEREFORE**, I, Douglas A. Ducey, Governor of the State of Arizona, do hereby congratulate Lujendra Ojha and the University of Arizona on the discovery of flowing water on Mars and its impact on Mars research.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Arizona
