

# Enrollment

## Educational Records

### What's Included:

- Unofficial records may be used to enroll and place a student.
- The sending school must respond to requests within 10 days.

### What's Not Covered:

- The right to request copy of every paper in file is not covered.
- Receiving unofficial records for free is not guaranteed.

## Immunizations

### What's Included:

- A student has 30 days from enrollment to get immunizations.
- An immunization series must be started within 30 days.

### What's Not Covered:

- **TB Testing:** A TB test, not immunization may be required.

## Kindergarten and First Grade Entrance

### What's Included:

- Military children can continue in the same grade regardless of entrance age, if they are already enrolled and have attended at least one day in Kindergarten or First Grade.
- Students can continue to the next grade regardless of state age requirements.

### What's Not Covered:

- Military children who are not enrolled in Kindergarten, even though eligible are not covered.
