ARIZONA TESTING BLITZ

WEEK 1
• A major success, partnering with community labs to rapidly increase diagnostic testing availability at drive through sites.

WHO CAN GET TESTED?
• Dr. Christ has issued a statewide standing order allowing anyone who thinks they are infected or recently exposed to COVID-19 can be tested.

WHERE CAN I FIND MORE INFO?
• List of testing locations at www.azhealth.gov/testingblitz
• Expanding testing is available now, with an emphasis on the next two Saturdays.

CONTACT TRACING

WHAT IS IT?

• Provides the ability to rapidly trace the contacts of cases and test those exposed to identify new cases.
• Helps to contain new infections to prevent or slow transmission of COVID-19 in their communities.
• Included in the White House gating criteria guidelines as one of the core state preparedness activities.

TODAY

• ADHS will begin piloting an enhanced statewide contact tracing strategy with Pima County and Mohave County.
• By Friday, ADHS will implement enhanced contract tracing statewide.
LONG-TERM CARE FACILITY TESTING

GOAL
• Increase testing for the vulnerable population and staff within congregate settings to enhance infection control recommendations for those facilities.

ARIZONA DEPARTMENT OF CORRECTIONS, RECIDIVISM, AND REENTRY

GOAL
• Expand testing capacity for inmates and correctional officers.
LONG-TERM CARE FACILITY NOTIFICATION

NEW EXECUTIVE ORDER

- Require notification to the next of kin for any resident who has tested positive, or been exposed to a COVID-positive individual.
- Require disclosure of any previous or active COVID cases in the facility to any approved applicant from a prospective resident.

CONTINUE TO LIMIT TIME AWAY FROM HOME

✓ Elderly individuals.
✓ Individuals with serious underlying health conditions, including high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune system is compromised such as by chemotherapy for cancer and other conditions requiring such therapy.

BUSINESSES AND EMPLOYERS

✓ Strongly consider special accommodations, or exclusive scheduling hours for the elderly and vulnerable citizens.
✓ Employers should provide personnel who are members of a vulnerable population, special accommodations, including extended leave.
REMEMBER TO DO YOUR PART

CONTINUE TO PRACTICE GOOD HYGIENE

✓ Wash your hands with soap and water or use hand sanitizer, especially after touching frequently used items or surfaces.
✓ Avoid touching your face.
✓ Cover your cough or sneeze, cough into a tissue, or the inside of your elbow.
✓ Disinfect frequently used items and surfaces as much as possible.
✓ Strongly consider using face coverings while in public, and particularly when using mass transit.

PEOPLE WHO FEEL SICK SHOULD STAY HOME

✓ Do not go to work or school.
✓ Contact and follow the advice of your medical provider.
