

WILD HORSE PASS DEVELOPMENT AUTHORITY

October 28, 2020

Dear Mr. Lines, Mr. Costello, and Members of the State Fair Board:

I represent the Wild Horse Pass Development Authority (“WHPDA”) at the Gila River Indian Community (“GRIC”). WHPDA and GRIC appreciate that the Arizona State Fair has always been a source of pride for the State of Arizona. They understand the importance of this great event in bringing people together from such a diverse set of cultures and communities throughout our state.

WHPDA has the space and the know how to host and deliver a meaningful, safe, and appropriately scaled outdoor event. It would be their honor to work with State and outside medical professionals to develop a plan to safely host the Arizona State Fair in March 2021 at WHPDA.

In a time where diverse cultures need to unite more than ever, WHPDA is hopeful they can be helpful in partnering with the Arizona State Fair to allow our community to safely come together. Please let me know if you would like to discuss this offer further and stay well.

Sincerely,

Donald Antone, Sr.
Chairman, Board of Directors
