Re: SB 1135

President Petersen,

I have vetoed SB 1135. This bill would prohibit Arizona from remaining a part of the Electronic Registration Information Center (ERIC), which is an essential tool in ensuring accurate voter registration rolls in Arizona and across the country. It is unfortunate that many Republicans in the Legislature continue to fan the flames of false allegations of voter fraud, yet send to my desk a bill that would prevent Arizona from joining organizations that actually help improve the integrity of our elections. Arizonans deserve legislation that promotes free and fair elections, not the opposite.

Sincerely,
