Re: SB 1091

President Petersen,

I have vetoed SB 1091.

As you know, the vast majority of people incarcerated in Arizona will one day be released. It's in all of our interest to ensure that these individuals have the proper resources and support to be successful upon release. Unfortunately, this bill would result in less transparency and oversight of services provided to incarcerated people returning to society.

Corrections reform will continue to be one of my top priorities. I encourage the legislature to work with me to provide more correctional accountability in Arizona.

Sincerely,
