Re: SB 1277

President Petersen,

I have vetoed SB 1277.

SB 1277 will negatively affect and restrict the important work of broadcasters, newspapers, telecommunication providers and insurance providers in Arizona. Statute already protects Arizonans from the types of privacy violation that the sponsor is targeting. Relevant stakeholders have worked throughout this legislative session to find a compromise, but were not met with the same level of commitment. I encourage the sponsor to engage the proper stakeholders to find a solution that works for all Arizonans.

Sincerely,

Katie Hobbs  
Governor  
State of Arizona
